

Annona
1955

Folded in these pages are the cherished memories of our senior year at Pensacola High School.

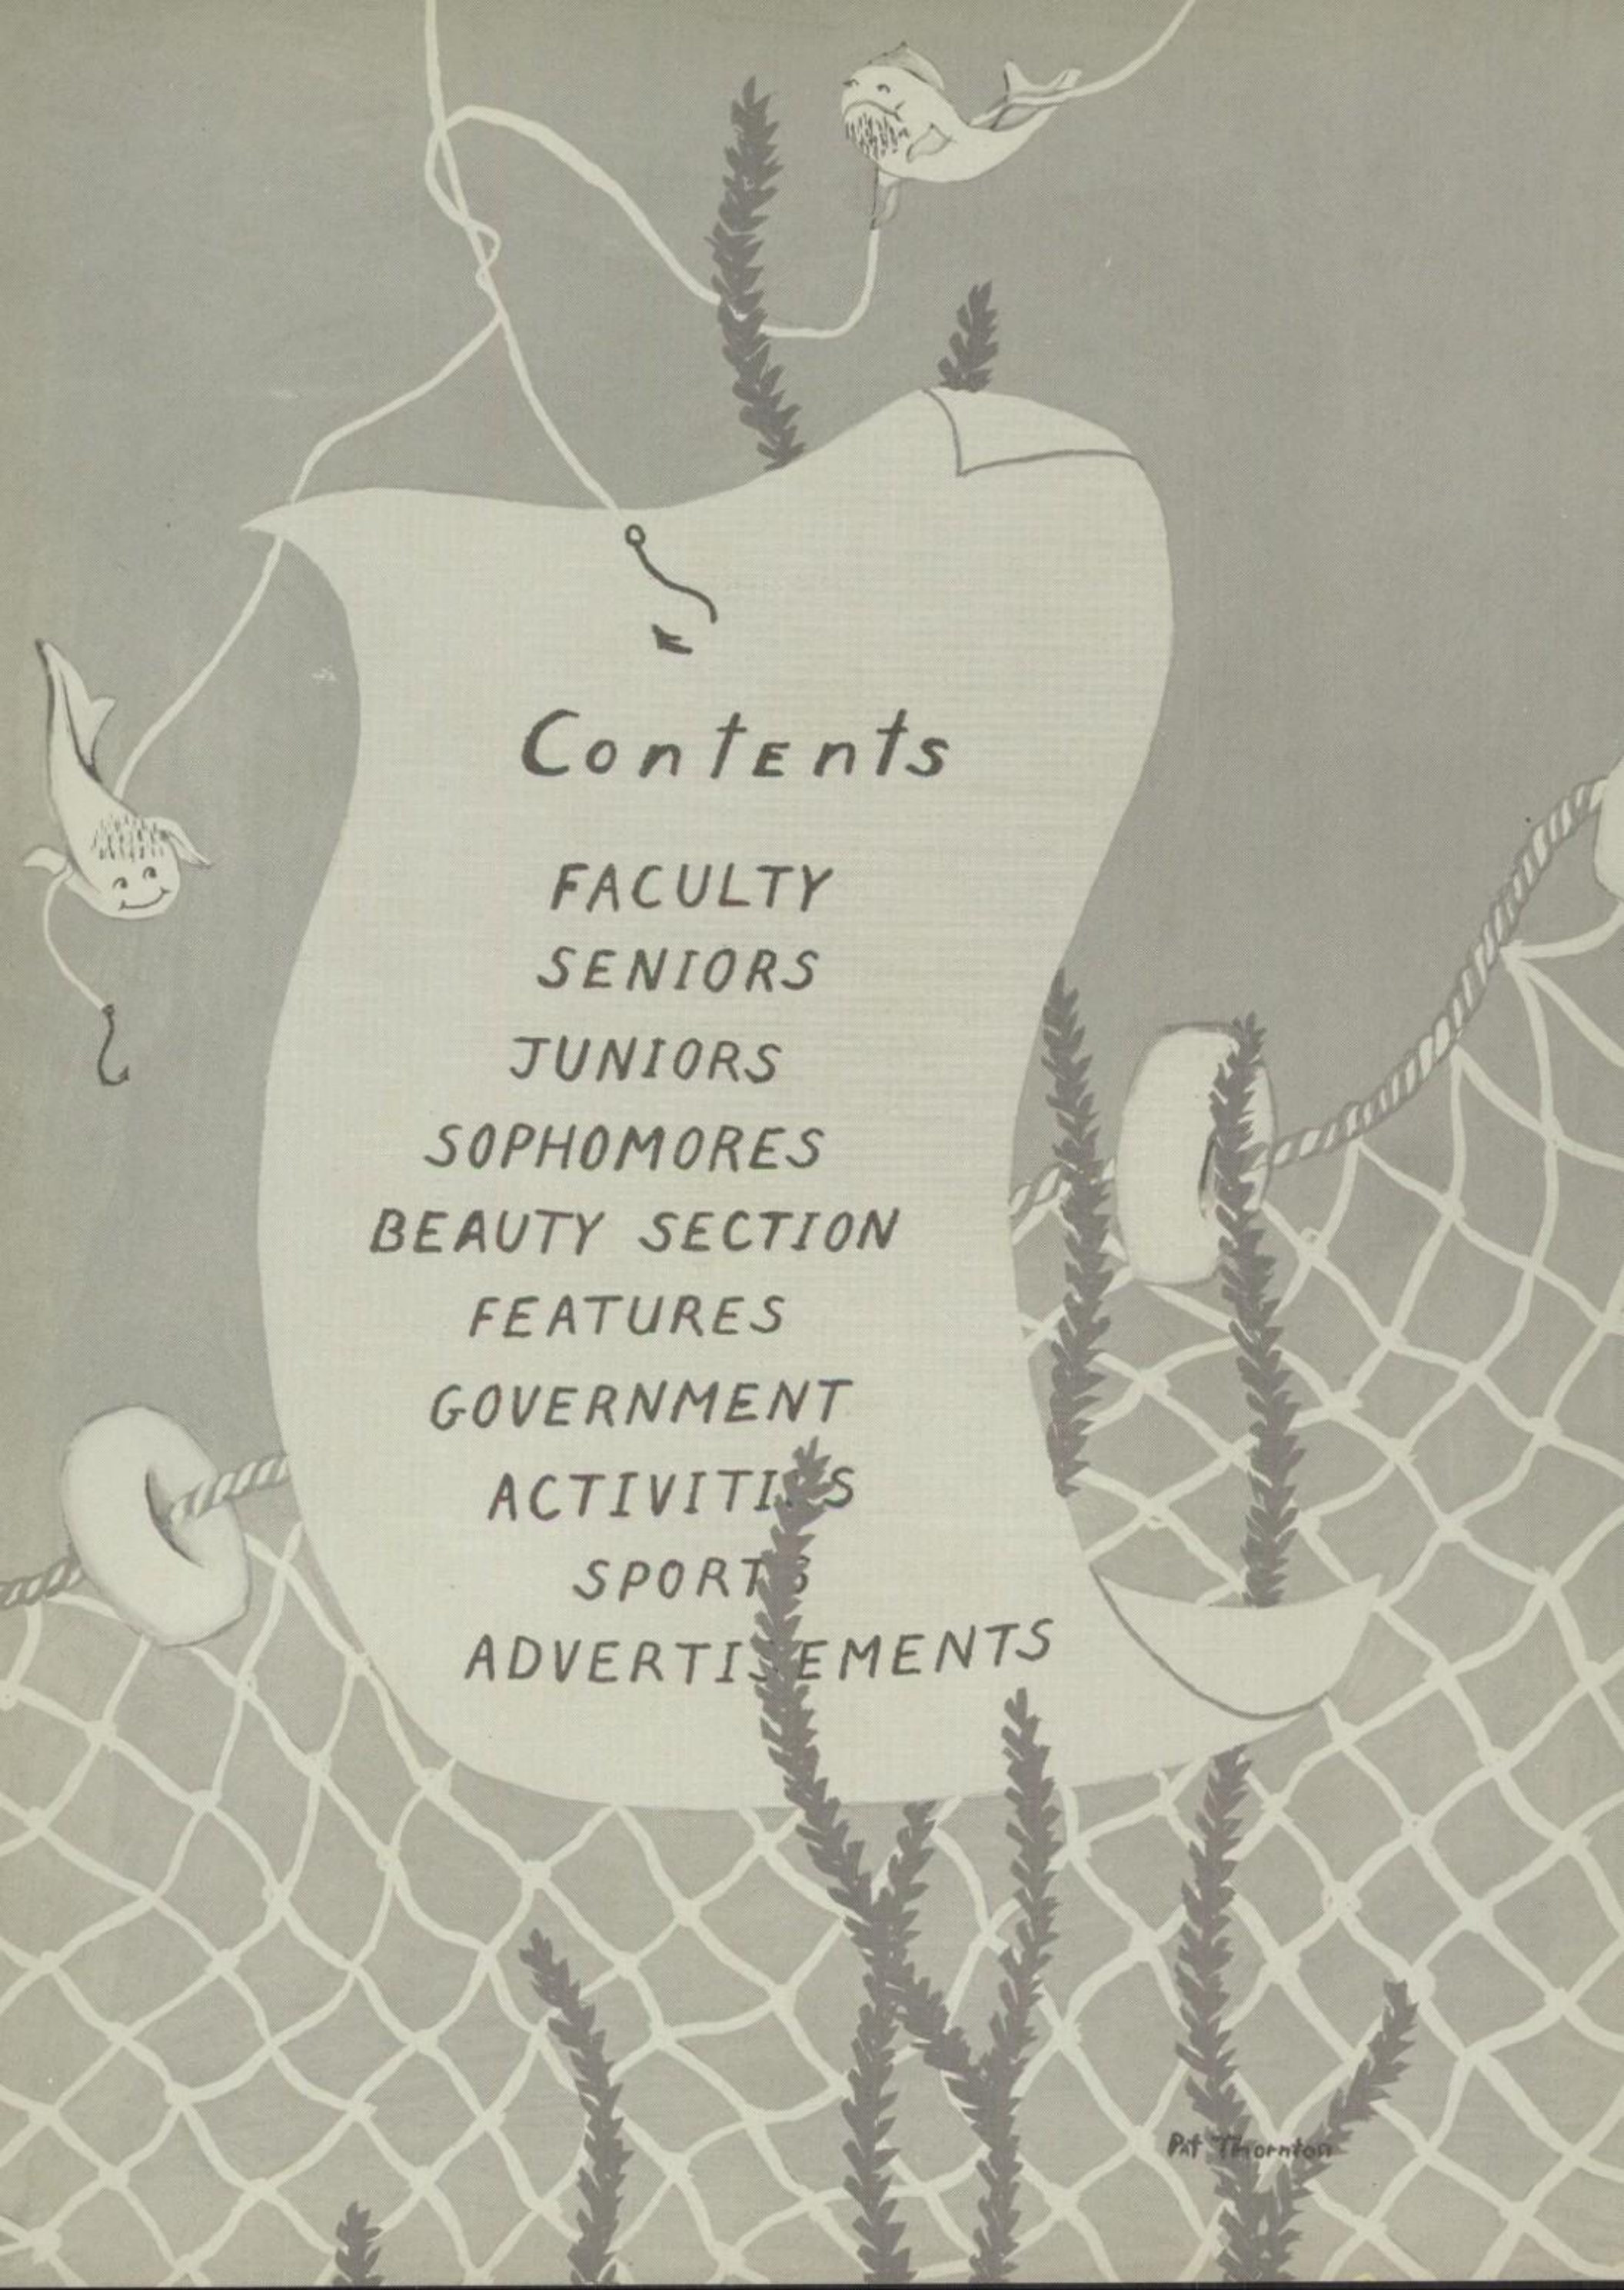

Memories are like the leaves of a tree. They bud, become blooms, begin to die, and finally drift away to be replaced by the events of the present.

To preserve these memories, yearbooks were created. High School days run swiftly by, and though parting may be sweet, in the years to come these memories will be deeply graven on each heart.

It is to the Senior classes of the past, present, and future that the 1955 ANNONA, an album of memories, is dedicated.

PENSACOLA HIGH SCHOOL

The background of the page is a light green color. A large, white, irregularly shaped net is the central focus. Inside the net, the word "Contents" is written in a large, black, serif font. Below it, a list of items is written in a smaller, black, serif font. The net is decorated with several small, white, fish-like shapes. One fish is at the top left, another at the top right, and a third at the bottom left. The net is also decorated with several small, white, fish-like shapes. The net is decorated with several small, white, fish-like shapes. The net is decorated with several small, white, fish-like shapes.

CONGRATULATIONS
TO THE CLASS OF 1955

Whether you are going on to higher learning or entering into your livelihood—you are the sculptor of your own existence. The goal you set is the model by which you work and the present is the clay with which you are ever working — moulding your tomorrow by your deeds of today.

You can't remodel the past — the future is only yours to anticipate — but NOW is your time — to shape as you will.

You have ability, and in that you have the most gracious gift of nature if you will display it to the world each day.

MANAGERS

Jimmy Pallas , Neil King, Willard Galbraith, Jimbo Scoggins, Jimmy Baggett, Terry Vaughn.

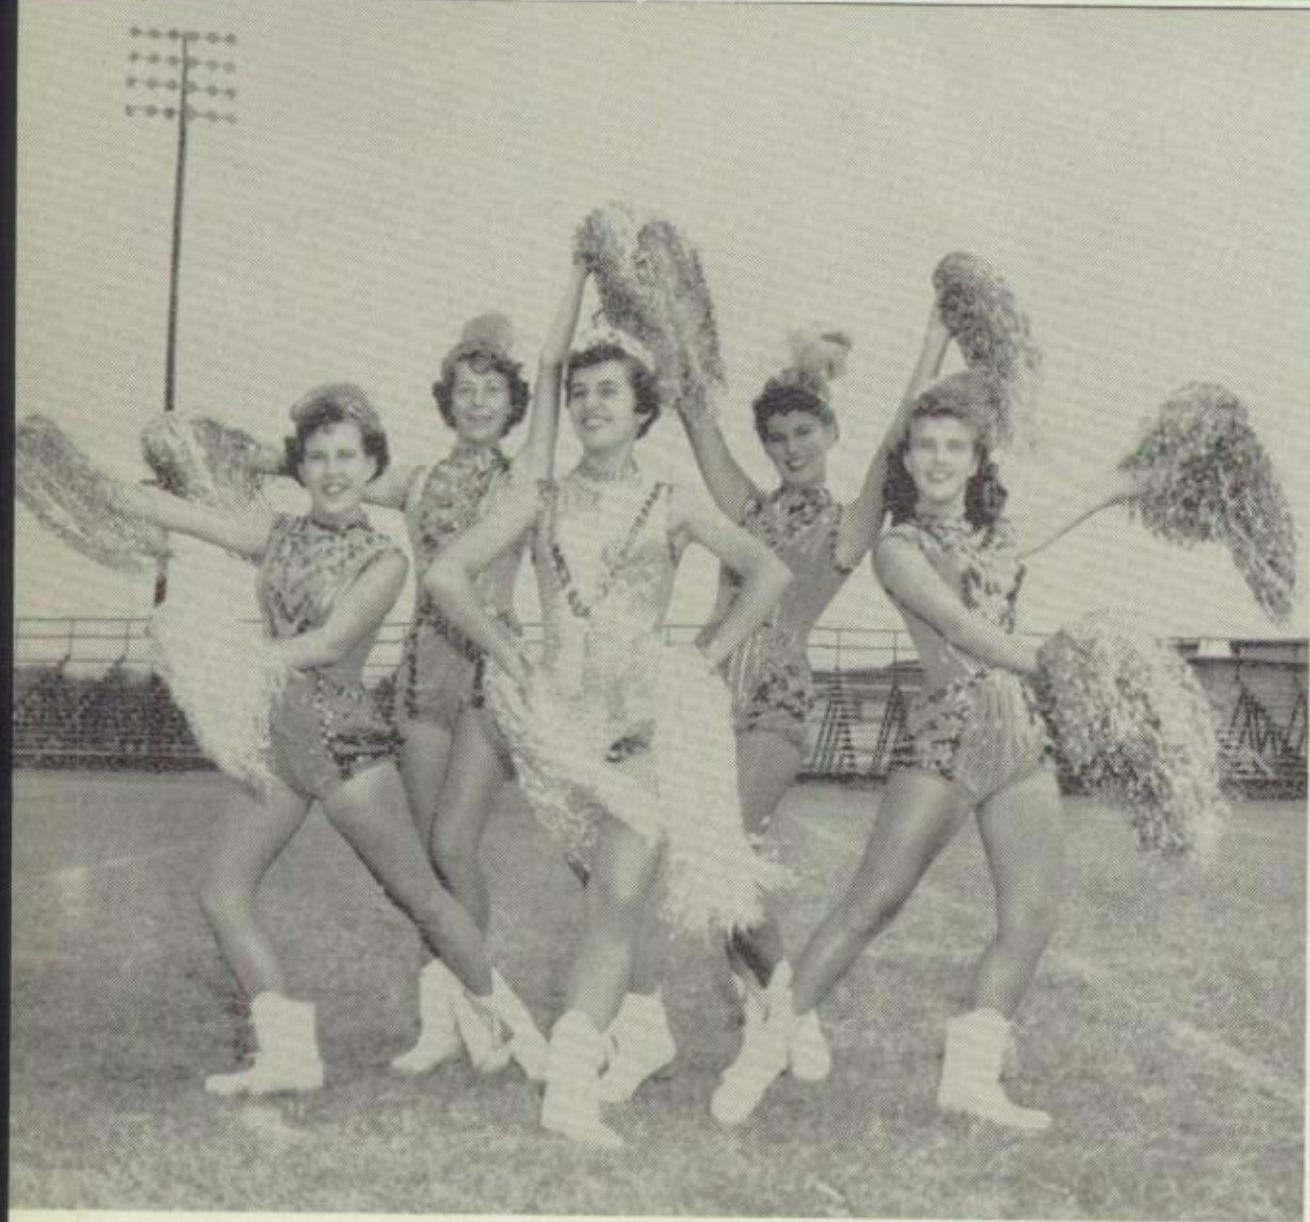

The Tigers of 1954 made, in many ways, one of the finest teams in the illustrious history of football at Pensacola High. Confronting the loss of 18 lettermen from the State Championship team of 53 and one of the toughest schedules of any high school team in the country, they did exceptionally well. This team, sometimes out-manned but never out-fought, lived up to the fighting tradition of past squads. These boys should be commended for a job well done.

In Memoriam

Death comes on swift and silent feet - - thus, it came to our beloved friend and classmate, Leon Ray Able.

When a man stands tall among his fellows, his shadow remains when the sun sets. A young man has stood in our midst, and his shadow remains with us. Ray "Sonny" Able, scholar, athlete, friend, and gentleman stood thus among us, and his untimely passing leaves us with the void each death carves.

Sonny Able was just what his name implies. He was "Sunny" . . . his ready smile and cheerful disposition drew him to everyone. He was "able" . . . Able to "stick things out;" Able to get things done. Sonny has gained a lasting place in the memories of those who knew and loved him, students and teachers alike.

Life is not how long one lives; it is how WELL one lives. Sonny's life is an enduring example. For Sonny today's sun has set; it is the dawning of a brighter, more glorious day. Few will be able to walk in the shadow he leaves behind.

We remember and cherish the memory of Sonny Able, a man who stood so tall among men, while yet so young . . .
